RE: IAC Reappointment of Member John Fogle

Dear Chairwoman Rosenworcel,

I'm writing to you to submit my strong support for John Fogle's continued service on the Intergovernmental Agency Committee with the Federal Communications Commission.

Having served alongside John during the last term on the Intergovernmental Agency Committee, I can attest to his passion for the important work being done by this committee, and the thoughtful contributions he makes to each discussion and decision. John is an inquisitive leader who relentlessly seeks to find the best possible approach to complex problems and does so with an unmatched intentionality.

With extensive experience in the field of telecommunications, John consistently provides meaningful background information to relevant topics within the IAC's purview. John is organized, engaged, and extremely thorough in completion of his tasks, and it has been a pleasure serving with him in this capacity.

The work being done by the Intergovernmental Agency Committee with the Federal Communications Commission is important and the experience and background John brings to this work is an asset. I respectfully recommend John Fogle be appointed to continue his service on the IAC.

Sincerely,
