RE: position on the Intergovernmental Advisory Committee (IAC)

Dear Chairman Pai,

It is an honor to recommend Loveland, Colorado City Councilor John Fogle for membership on the IAC. I have had the privilege of working with Mr. Fogle over the past seven years and have found him to be a strong and effective community leader, for not only City of Loveland but for the entire Northern Colorado region. His work for the last six years in bringing Fiber Broadband to the City of Loveland makes him talented and ideal candidate for membership.

On a government relations level, Mr. Fogle has served on our City Council for the past eight years. He recently was re-elected for another four year term. His ability to work with diverse groups, including existing providers, along with a strong commitment and involvement in numerous committees and groups - including the National League of Cities for the past five years - makes him an ideal candidate for IAC.

I am confident that as a member of the IAC Mr. Fogle will bring strong leadership and experience to the Committee in their ongoing work regarding the deployment and adoption of broadband services.

Sincerely,

Mindy McCloughan  
President and CEO, Loveland Chamber of Commerce
